

We are delighted to focus on Spring Break for this fourth issue of The the Zine3.

Spring Break has often been used as a time and setting for memorable events in numerous manga. It lasts only a week, but in this small amount of time a protagonist develops and blooms

like flower blossoms opening to the first rays of summer sun.

We have worked really hard on these comics about Spring Break so please enjoy reading them and look forward to our next Zine3.

It is Love :
I feel **springy**.

The guidance.
oh..

1. Let's be friends

2. Let's be more than friends

Colorful

I'm thinking.
(INTERMISSION)

wah!!

3. Let's hang out

4. Let's travel "spring break"!!

I

feel

springy
